The assessment policy and procedures for each course are detailed in its Course Booklet. SCILI applies the principles of validity, reliability, fairness and flexibility in all assessments.

SCILI advises all applicants of RPL opportunities and procedures on enrolment. The performance criteria of the course module sets the RPL benchmarks.

RPL is managed by qualified staff. A candidate may receive recognition for all competencies required for the course module or recognition of high standing. High standing recognition indicates that some but not all competencies for the course module have been attained. The benchmarks for RPL are the learning outcomes of the module.

Candidates are charged a fee for RPL assessment – for relevant information- see Course Information Booklet.
